Media Release

TEMPORARY CLOSURE OF BUKIT BATOK POLYCLINIC FOR UPGRADING

The National Healthcare Group Polyclinics (NHGP) will be upgrading Bukit Batok Polyclinic to better serve the healthcare needs of the community. The Polyclinic will be closed for major renovations from 1 May 2009 and is slated to reopen in August 2009.

Under NHGP's modernisation programme, Bukit Batok Polyclinic is the fourth clinic to be upgraded.

During the renovation period, patients of Bukit Batok Polyclinic may continue to receive medical care at a temporary clinic located at **Choa Chu Kang Polyclinic, 2 Teck Whye Crescent, Singapore 688846**.

For patients' convenience, a free shuttle bus service will be provided between Bukit Batok and Choa Chu Kang Polyclinics from 7.30am to 3.45pm (Monday to Friday) and 7.30am to 11.30am (Saturday) from 4 May to August 2009.

For enquiries, members of the public can call 6355 3000 during our operating hours.

About NHG Polyclinics

NHG Polyclinics is the primary healthcare arm of the National Healthcare Group. The nine Polyclinics it manages serve a significant proportion of the Singapore population in the northern and western region. NHGP's Polyclinics are located in Ang Mo Kio, Bukit Batok, Choa Chu Kang, Clementi, Hougang, Jurong, Toa Payoh, Woodlands and Yishun.

NHG Polyclinics focuses on disease prevention, early and accurate diagnosis, good disease management, health promotion and continued care for patients after their discharge from hospitals. Each of its Polyclinics is a well-equipped one-stop family health service centre that provides a comprehensive range of health services, including treatment for acute medical conditions; chronic diseases and selected specialists services.
