FINANCIAL CONSENTS

These consents enable the Ministry of Health (MOH) to facilitate the provision and delivery of government subsidies/assistance, Medisave and MediShield Life coverage when you receive healthcare services. Your authorisation will remain valid until revoked.

Financial Consents

MCAF(M)-Medical Claims Authorisation Form(Multiple)

✖ Consent Not Given

You will be giving authorisation to withdraw your Medisave and claim from your MediShield Life and MediShield Plan for approved treatments that you receive at participating medical institutions.

4

GIVE CONSENT

Consent For Data-Sharing

✖ Consent Not Given

You will be giving authorisation to access your personal and financial information from IRAS, CPF, public healthcare institutions, and insurance agencies to assess your eligibility for healthcare schemes and subsidies.

GIVE CONSENT

If you agree to providing your consent(s), please be assured that your information will be accessed for official purposes only, on a need-to-know basis, by the Government and other organisations approved by the Government. All information will be kept strictly private and protected at all times.
